

CONSTRUCTION MADE SIMPLE

Henry Construction have evolved and grown from a small Plant hire, groundworks and RC frame specialist to become an established multi-disciplined major UK Building Contractor. Our simple in-house approach to the construction process is repeatedly being called upon to successfully deliver some of the UK's most cost effective solutions and commercially value engineered buildings and construction projects for our clients across many sectors.

www.henryconstruction.co.uk

Established in 1986, London Building Company is a dynamic multidisciplinary design and build construction company. We will consider work in all sectors across London and the home counties. We aim to be responsive to clients' requirements with a focus on construction delivery, on time, within budget and to a high quality.

If you have a building requirement, please do not hesitate to contact us.
