**Building communities with safer roads in Brent**

**McLAREN**

**Collaboration**  
We collaborate closely with other contractors nearby to keep everyone safe in and around multiple construction sites.

**Management**  
We appoint highly qualified Traffic Marshalls who are always on hand to manage complex vehicle movements whilst we are building.

**Timing**  
We ensure deliveries are expertly timed outside of peak school hours, ensuring local children's safety is considered as a top priority.

**Technology**  
We use smart 3D technology to plan our works for ahead of arriving on site, reducing the amount of heavy equipment on your roads.

**Beyond the boundary**  
We always subscribe to CLOCS (Construction Logistics and Community Safety), meaning we think beyond the hoardings and further into road safety.
